There are 26 letters in Alphabetland and 5 want to be different. Wait until you see what they do. The town is not happy. How will they solve the problem?

R cannot stand the sounds the vowels are making. He decides to leave Alphabetland. Find out how the letters convince him to stay.

The “oo” twins should say the long o sound but they are not getting along. Find out how the letters solve this problem.

6 consonants challenge 5 vowels to a game of volleyball. The vowels ask “Y” to join them. The vowels win and decide “Y” should be a vowel. The consonants do not agree. Can Alphabetland be saved?
